Office of the Senior Surgeon in Mysore, 503 a

Bangalore, dated, 18th November 1925. 122-2-2

No. C 215-2

Enc. 2

From

Dr. B. Mahomed Usmon, L. M. S.,
Senior Surgeon with the Government of
His Highness the Maharaja of Mysore,
Bangalore.

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Local and Legislative Department
Bangalore.

Sir,

In submitting for orders the applications of the
marginally named Mysore students of the Grant Medical College,

1. A. Sitharama Sastry, received through the Dean of the
(alias S. S. Avadhani)
2. T. S. Vasudeva Rao College, for the continuance of their

scholarships till the end of July 1926, I have the honour to
state as follows:

Both these candidates were awarded scholarships for
the M.B.B.S., course, Bombay for five years, with effect from
July 1920, Mr. Sitharama Sastry being granted a scholarship of
Rs. 50/- per mensem, under the scheme tentatively sanctioned
for the co-ordination of the Eastern and the Western systems of
medicine, in Government Order No. 11390-2 Edn. 9-19-52, dated
7th June 1920, and Mr. Vasudeva Rao being granted an ordinary
medical scholarship in Government Order No. 8201-3-Edn. 94-20-
23, dated 26th February 1921.

They were expected to complete their studies and
obtain the Degree, in the usual course, by July 1925. Hence
their cases were not taken into account by this office in esti-
mating the grant required on account of "Scholarships in British
India" in the current year's budget. From the correspondence
relating to these two students it is seen that they failed in
the Preliminary Scientific examination at the first chance in
April 1921 and passed the same at the second chance in November
following, and again failed in the Intermediate M.B., B.S., at

at the first chance in September 1923 but passed the same at the second chance in April 1924, and thus, had to study in the fourth year class during 1924-25, and were entered for the final year course in July 1925 and have to continue till July 1926, thus exceeding their originally sanctioned term of scholarship by 13 months.

It will be seen from the recommendation for the continuance of their scholarships, received in reply to this office enquiry in June 1923 (vide Dean's letter No. 907, copy enclosed) that these two scholars were shown as "due to sit for the Intermediate M.B., B.S., in September 1923" and their scholarships were recommended to be continued, their progress being satisfactory. At the next year's budget time also, the recommendation made by the Dean (vide copy of his letter No. 1015 dated 11th June 1924, items 5 and 8) was to continue their scholarships as they had passed the Intermediate M.B., B.S., in April of that year. The significance of the report in June 1924, when they passed the Intermediate M.B., B.S., in April 1924, when they had been due to appear for the examination in September 1923 according to the report of June 1923, was that they must have failed in September 1923. This was, however, not realised in this office in the absence of a separate report of the results of the September 1923 examinations.

The failures in both cases are attributed to their illness and both are recommended by the Dean. Although they were both informed that there is no provision for continuing their scholarships beyond the period of five years originally sanctioned, yet they have repeated their prayers for the continuance of the scholarship till the end of July 1926 to enable them to complete their course. Mr. Sitharama Sastry has enjoyed the privileges connected with his special scholarship at Rs.50/- per mensem, with cost of books, etc., to the extent of over Rs.600/- for the full period of five years. Mr. Vasudeva Rao has also received his scholarship under the ordinary rules (which do not allow cost of books) first at Rs.30/- and then at Rs.40/- I submit the question of the further continuance of scholarship of these students to Government for orders.

Should the Government be pleased to grant the scholarship to either or both, the amount that will be required to be paid to Mr. Sastry will be Rs.50 x 12 or Rs.600 and that to be paid to Mr. Vasudeva Rao will be Rs.40 x 12 or Rs 480/-, the total amount required for both being Rs.1,080. The only source from which it is possible to save necessary funds is from the grant under "5. Medical School, scholarships" 15 out of the 18 Dayees' scholarships at Rs.100/- each, are vacant & are not proposed to be awarded as half the year is nearly over. Thus a sum of Rs.15 x 8 x 10 or Rs.1,200 is expected to be saved. On receipt of orders of Government, a re-appropriation statement, if necessary, will be submitted for the transfer of the required amount from "5. Medical School, Scholarships" to "7 Scholarships in British India," through the Comptroller, in the usual course.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon.

Letter No. 1015 dated 11-6-24 from the Dean, Grant Medical College, Bombay, to the Senior Surgeon in Mysore, Bangalore.
